INPUT FROM WORKERS IS IMPORTANT TO ENSURE THE NDIS IS THE BEST IT CAN BE

THE FACTS

- **Findings from the NSW trial site in the Hunter region** identified that formal skills and training are being compromised under the NDIS.
- **Services reported inadequate pricing** may lead to cuts to training & operational development for staff.
- **ASU members want regular staff meetings to establish collaborative solutions** with their organisation to focus on the transformation required to implement person-centred approaches.
- **ASU members want access to paid staff training** and to develop new education pathways that ensure the development of a highly skilled workforce.

Ensuring a quality, professional and sustainable workforce is essential to achieving the goal of delivering real choice and control.

As an industry, we must commit to growing and developing the frontline workforce so that each worker is able to provide real person-centred care.
