

# It's time to start bargaining

## Let us know what's important to you

As you are no doubt aware the ASU and your delegates are commencing bargaining for your current EBA which is due to expire in the coming months.

It is extremely important for us to understand what issues are important to you this time around, especially with the threat of the dodgy AHSA agreement that dnata is trying to implement.

So that we can fully understand what issues are important to you the ASU has developed a survey for you to complete.

You can get a hard copy of the survey from your ASU delegates or Organisers however the easiest option is to spend 5 minutes filling it out online by following the below link.

Please take the time to complete the survey so that we can ensure that we get the best possible outcome during negotiations.

Also please note that we need you to return your survey to your delegate or organiser by the 12<sup>th</sup> May 2017.

Here is the link to the Survey:

If you're not a member of the union there has never been a more important time to join.

You can join online at
