## Strong ASU Membership

EBA6 was only possible due to large numbers of employees being members of the Union.

If you're still a non-member you should thank a union member for delivering you a pay rise and many improvements to your terms and conditions of employment.

Better still, join the ASU and contribute to making sure that jobs are decent and secure. Don't stand by and let others do the heavy lifting.

Well done to all our ASU members for making this outcome possible with your collective strength.

Together we are stronger - join today! You can join online at our secure form: [www.asu.asn.au/asujoin](http://www.asu.asn.au/asujoin)
