By your side

Great conditions don't just happen. Unions make them happen.

The Australian Services Union exists to promote, improve and protect the working conditions and entitlements of our members.

We work to ensure

- ✔ That your job is protected
- ✔ That your wages and conditions are constantly improved
- ✔ That you are protected against unfair dismissal
- ✔ That your workplace is safe and healthy
- ✔ That you have some say in what happens to you at your work
- ✔ That you are covered and compensated if you are injured at work
- ✔ That you have access to training to improve your skills and position
- ✔ That you are not harassed or discriminated against at work
- ✔ That you have access to experienced professional representation to act on your behalf in discussions with your employer

Employees under a union collective agreement earn on average \$100 a week more than other employees.

Union members get better sick leave and holiday leave entitlements and are more likely to receive long service leave and paid maternity leave.

Union members are more likely to get regular pay increases.

Why should I join the Australian Services Union?

It's a fact – union members get better pay and conditions.

- ✔ By working together, union members are in a stronger position to secure higher pay and conditions. The more workers that are in a union, the better chance they have of getting a good deal.
- ✔ Employees that are part of a union earn on average \$100 a week more than other employees.
- ✔ You're never alone. Through our union helpline, you have access to industrial experts and support when you need it.
- ✔ Union members get better sick leave and holiday leave entitlements and are more likely to receive long service leave and paid parental leave.
- ✔ Union members are better trained, have better working conditions, work fewer hours and have more job security.
- ✔ Having union members in the workplace increases Health and Safety awareness by up to 70%.
