Dear Linda,

**Re: Jetstar - ASU EBA 5 Negotiations**

In response to your correspondence of Friday, 14 February 2014 and, as I previously advised you in our telephone conversation of the same date, I write to confirm the following.

As you state in your letter (and as previously advised), Management representatives of the Qantas Group are not in a position to respond to settlement offers from unions or to make a settlement offer until after the Qantas Group's Half Year Financial Results announcement on 27 February 2014.

Further to our conversation of last Friday, I confirm that Mr Luke Enright contacted the *Australian Financial Review* journalist and made our position very clear. In addition, I understand that Luke contacted you on Friday 14 February 2014 and advised you that he had done so.

Yours sincerely,

**Sue Bussell**
