

It is time to vote on the AAE EBA

After the endorsement of the AAE EBA by ASU members the company is mailing and emailing the final agreement on 22nd June 2015. The Fair Work Act requires voting staff to have a period to consider the agreement before voting begins.

After the consideration period, voting will commence online on 1 July 2015 and close at 4pm on 6th July 2015, at least that is timetable that the company have told us they are working to.

Although you have already voted in the ASU process you must vote again in the formal Fair Work Commission – we urge you to vote YES to approve the agreement.

If a majority of staff who vote approve the agreement then it will be submitted to the Fair Work Commission for approval. That process can take up to 6 weeks but rest assured we will be fast tracking this process as best we can.

Once the EBA is approved then the company will pay the back pay that is owing to staff for the pay period from 1 July 2015.
