PROTECTING EQUAL PAY INCREASES & OUR AWARD CONDITIONS IS IMPORTANT TO ENSURE THE NDIS IS THE BEST IT CAN BE

THE FACTS:

- **ASU members fought for and won Equal Pay in 2012.** This means two pay increases a year, every year, until 2020 for disability support workers.
- **ASU members are also working together to protect and improve our Award conditions.** Did you know there are attempts by employer groups to reduce conditions in areas like rights for casuals and part-time workers, reducing rest breaks and removing compensation for cancelled shifts? We need to stand together to protect our Award conditions.

Authorised by Linda White, Assistant National Secretary, Australian Services Union, Ground floor, 116 Queensberry St, Carlton South, Victoria, 3053, Australia

- **ASU members are working together now across disability services** to ensure that our Equal Pay increases are protected under the NDIS. Our voice is stronger the more people decide to join and be part of the change!

“Equal Pay increases have made a serious difference to my take home pay. The ASU Equal Pay campaign was a win for attracting and retaining workers in the sector.”

Penny Carr, ASU Member Brisbane
